

The NEW Physician Learning Center (PLC) makes physician training easy.

Physician Learning Center is an on-line learning portal dedicated to non-employed HCA physicians. On-line access means convenience – whether you need to complete required training or catch up on your CME credits.

PHYSICIAN LEARNING CENTER

Your Full-Service Resource for On-Line Education

"The really great thing about the PLC is that you can access it from anywhere. Whether it be from home, the office, Starbucks or in the hospital."

- Dr. Justin Collier MD, FAAPMR

The PLC offers:

- 24/7 access to web-based courses through a single access point
- The latest clinical content from HCA's Clinical Services Group
- Free CME courses (Other online courses are: CPOE, Aim for Zero, ACLS)
- Ability to attend HCA sponsored live webcasts
- All courses are accessible on the iPad

The PLC is available anywhere you have a standard internet connection. To get started simply click:

<http://www.healthstream.com/hlc/hca>

(To login, use your standard 3-4 ID (ie. ABC1234) as BOTH username & password.)

For more information, please contact your local Physician Support Coordinator.
